The 22nd International Conference on Electronic Commerce (ICEC 2021) will be held in Chengdu (**Online**), China on June 29th - July 1, 2021. ICEC 2021 aims at providing researchers and practitioners in electronic commerce and related areas with an opportunity to present original ideas and share insightful opinions. The theme of ICEC 2021 is “E-Commerce in AI era.”

Submission Guidelines

We welcome submissions of original research papers addressing issues concerning the theory, design, development, evaluation, and application of electronic commerce and related fields. We also encourage submissions of research-in-progress contributions that are innovative and inspirational. Research articles particularly sought after are those motivated by real-world business problems and validated using rigorous research methodologies.

1. The Submitted papers must be original work. A paper with substantial overlap with the submission must neither be already published, nor be currently under review for publication in any other venue.
2. All submissions will be handled electronically at <https://easychair.org/conferences/?conf=icec2021>
3. All submissions must be in English. Each paper is limited to 8 pages including figures and references. Please follow the Manuscript Templates for Conference at the Conference website.
4. Both full papers and abstracts are welcome.
